State Agency Public Information Officers

Re: 2019 NASCIO IT Recognition Awards

Each year we coordinate a drive for nominations to the prestigious NASCIO (National Association of State CIOs) IT Recognition Awards Program (now in its 31<sup>st</sup> consecutive year) to showcase technology projects from the state of Idaho at the national level. Submissions in prior years have netted two winners and two finalists in a variety of categories.

We hope that you will show your support by nominating innovative projects from your department. Specifically, NASCIO is seeking nominations of "transformational projects and initiatives that address critical business problems, improve business processes and increase citizen engagement in state government."

A review committee has been identified to oversee the process of gathering and selecting nominations that will continue to the national competition, and more details will follow in the coming days. Additional information can also be found on the NASCIO website at:

<https://www.nascio.org/Awards/SIT>.

**The deadline for initial outlines at the state level is Friday, April 5.**

Submissions may be sent to Erin Seaman at: [Erin.Seaman@its.idaho.gov](mailto:Erin.Seaman@its.idaho.gov) or (208) 332-1876.

We look forward to receiving your nominations!

A handwritten signature in black ink, appearing to read "Jeff Weak".

Jeff Weak  
Chairman
