### Follow Up Answers:

**Will bank details be converted for go live?**

- Yes, they will be converted, but it will be good to have employees verify as soon as they can access the system (before first payroll).

**Can you see comp history? Comp history can be accessed in multiple places?**

- One being on the employee profile > Compensation tab > Select a work assignment > Pay Rate History tab. The other way is Generalist > Compensation > Resource Analysis > Compensation Analysis > Pick an employee > Pay Rate History tab (shown below).

**Thursday, Mar 30, 2023 (11 am MT/ 10:00 am PT)** [Luma Operational Readiness Program - Webex](#)

Topics include a review of the ORP tools, examples of how to use a tool, how to access content, and an open question forum

### New Hires on June 11

- plan to use your current new employee paperwork (i.e. do it as you do now) for those first hires. We won't try to do new hire paperwork electronically through Luma for the first pay period. We will be entering the hires into Luma the week of June 19.

**Luma Access to Luma Gov Cloud AX2 Environment - ends March 31st.**
