

2024 SESSION TRAININGS NOW OPEN.

HOW TO REGISTER:

Please be aware that employees cannot directly access the course catalog in Luma. To explore available session options, visit the DHR Website.

When registering for a session, collaborate with your supervisor or HR Team. Supervisors, please refer to the "Enroll My Staff in Training QRG" for guidance. Keep in mind that the catalog view, accessible through your Manager role, is statewide. Do not enroll your staff in other agency trainings without obtaining permission from that agency. To find a list of available DHR Trainings, search for "DHR" in the Activity ID field.

For enrollment assistance or if you have any questions, feel free to contact Paige Leatham at paige.leatham@dhr.idaho.gov.
