2024 Cybersecurity Training  / 

The Idaho 2024 annual Cybersecurity Training campaign begins **TODAY - March 1st** . Please familiarize yourself with this information and important timelines. This campaign, which was previously administered by the Division of Human Resources is now managed by the Idaho Office of Information Technology Services.

Why is training important:

Cybersecurity and related training are top priorities for the State of Idaho. In 2023, phishing threats became more efficient, with 96% of targeted organizations negatively impacted by these attacks, compared with 86% during the previous year, according to Infosecurity Magazine.

Timeline:

- The **March 2024** training will be available to all employees **March 1st -31st** . It takes approximately 18 minutes to complete.

Where is training located?

- Training modules are located in Luma. You can access them in the Employee Learning and Development profile beginning **March 1st** .
- **The training ID is DHR_000050 titled '2024 Annual Cybertraining.'**
- [Please review this flyer](#) and forward, share, or post as necessary.

For individuals requiring accommodation for training, please email ada.coordinator@dhr.idaho.gov or call **208.854.3077**.
