Re: IGC Bi-Annual Meetings

Dear IGC Members,

Due to the state of emergency this spring and summer, we did not hold a spring IGC meeting, as we would have done during normal times as specified in the IGC by-laws.

We are intending to call a meeting for the fall and are currently in the early stages of planning for that meeting. Details will be posted to the IGC listserv and on the Idaho Geospatial Office (GIS) website at <https://gis.idaho.gov/> as soon as they are available.

If you have agenda topics you would like to suggest, or if you are interested in volunteering to help coordinate the meeting, please contact me ([Wilma.Robertson@its.idaho.gov](mailto:Wilma.Robertson@its.idaho.gov)) or Erin Seaman ([Erin.Seaman@its.idaho.gov](mailto:Erin.Seaman@its.idaho.gov)).

Regards,
