IGO Update
- 1:00 TWG Reports
- 3:00 Break
- 3:15 Agencies / Organizations
- 4:30 IGC-EC Meeting
- 5:00 Social Hour Downtown

## Join us!

For the first IGC meeting of 2012

The theme for this biannual meeting of Idaho geospatial technology professionals is “2012 Health Check” – an opportunity to measure the strength of Idaho’s spatial data infrastructure and vitality of The Idaho Map, Idaho’s statewide GIS program. Come and share your progress, successes and learn from others in your Idaho geospatial community.

## Date

April 25<sup>th</sup>

## Time

12:30 – 5:00

## Location

Capitol Auditorium  
(West Wing, Garden Level)
